

DELIVERIES TO STUDENT(S) DURING SCHOOL HOURS *Regulation Code* **5020-R**

The paramount concern of the board and administration is to provide a safe and orderly learning environment in which disruptions to instructional time are kept to a minimum. For safety's sake, access to schools during school hours must be carefully regulated.

In the interest of security and minimizing disruptions to the instructional environment, only the parents/guardians on file with the school shall be permitted to make deliveries to or for their student(s) only. Commercial deliveries to or for students are not permitted. Deliveries of flowers or balloons are not permitted, and deliveries of food shall be limited to lunch items only. Any deliveries of student medications by parents/guardians must conform to the requirements of Policy 6125 and Regulation 6125-R.
